Kids Teaching Kids – yrs 4-6. (NO COST)

Next Tuesday December 1, students from years 4-6 will be attending a Kids Teaching Kids Day at Tamworth Public School. This is a peer teaching and learning conference which showcases Kids Teaching Kids as an effective form of learning for a cultural change in the way we view, use and perceive our natural environment, in particular our water resources. Supported by the Murray-Darling Basin Authority, schools from across the region will come together to teach each other about water and the local environment. Students will rotate through a number of workshops throughout the day.

A bus is provided for transport. We will depart promptly at 9am and will return for afternoon dismissal. Students should wear their full summer uniform and hat. This is a full day event; please take lunch, recess and a water bottle.

Please complete and return the attached permission note to the office by Friday 27 November 2015.

A reminder to parents to notify the school about your child's health

We welcome information from parents about your child's health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child. It is also important that you let us know if your child's health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by

parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child's health and wellbeing.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts. We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter's health needs or as otherwise required by law.

P&C News

NEXT MEETING: 2pm, Wednesday 16

December in the old staff room. We welcome everyone to come! This would be a great chance for parents, grandparents and carers that collect their child from school to come just a little earlier, have a cuppa and find out about the P&C.

Remember, all the money we raise goes back to improving our kids' education and resources.
