## Zone Athletics Coaching

I have managed to source a volunteer Little Athletics coach to help interested students prepare during weekends.

Sessions, Saturday 2pm high jump and runners

2.30pm shot put and long jump

These sessions are FREE and would provide a great opportunity for skill development. This would be particularly beneficial for our relay team. Could interested students (with parent approval) please see Miss Cornish to register your interest. Miss Cornish will attend these coaching sessions.

PLEASE RETURN COMPLETED ZONE FORMS AND LEVY TO THE OFFICE AS SOON AS POSSIBLE.

Miss Cornish - Sport Coordinator

## PSSA Soccer Training

Due to a lack of ongoing interest, there will no longer be Soccer training on Wednesday afternoons.

K Harris - Soccer Coordinator

We would like to extend a warm welcome to new students; Elle, Sophie, Taylor and Nathan (and their families) to our Moonbi Public School community.

## WORKSHOPS

Last weeks, writing boot camps were a huge success with students. These workshops were designed to provide students with strategies and ideas for supporting their writing needs.

Students were very enthusiastic, approaching the activities with great enthusiasm and interest. Teachers were very pleased with the great improvements they witnessed during the week.

As a result of student requests and evidence collected, staff will be including 3 x 45 minute Writers Workshops to our weekly routine.

We would like to welcome our fourteen wonderful new 2016 Kinder Transition students; Georgia, Abby, Koby, Riley, Taylah, Jaiden, Toby, Ruby, Faith, Xavier, Dakota, Rick, Charlie and Jyer, who have started attending school every Friday for the rest of the year.

Education

At Moonbi Public School we understand that a child's first year at school is an important one. It is a year that children are seen moving towards independence, developing self-esteem, making connections and building positive attitudes toward their schooling. Because of this understanding, the 2016 Transition Team aim to provide a Transition Program that is tailored to meet the needs of both Transition children and their families.

Transition days are offered to enrolled children to give them the opportunity to meet and greet current Transition teachers as well as enjoy a number of learning activities with a particular numeracy and literacy focus. Parent information sessions in addition to regular Friday classroom sessions are offered to ease the move from Pre-school to Primary School life.

If you intend enrolling your child at Moonbi Public School we strongly encourage you to take advantage of our Transition Program for new Kinders.

The Transition Program ...

- is designed to assist your child in becoming familiar with the Moonbi Public School environment.
- provides reassurance to the child (and the parent) that our learning environment is safe and friendly.
- allows your child to make new friends.
- enables you to meet the caring and dedicated teachers who will provide the quality education your child deserves.
- gives you the opportunity to learn about the special programs we have developed to enable every child to succeed.
- provides us with the opportunity to discuss your child's special needs.

### P&C News

### Busy Beehive Canteen

Wow I can't believe how cold it was last Friday but the Olaf ice creams were a big hit, which is great. We have two different sizes in our new Milk 300ml for \$1.50 which is a great size for the little kids and a 500ml for \$2.10 the big kids so please think about what your children can drink as a lot of milk got wasted.

**This week's busy bee volunteers are: Kim and Jackie**

Don't forget if you would like to volunteer on a Friday in our Canteen please come and see me or give me a call anytime. We would love to have you.
