## HIGHLIGHTS FROM THE CLASSROOMS

### Budgies.

The next two weeks will be fun in regards to homework. Our BFG jars will be a great new addition to our classroom, they can be made any way you want. They do not have to be written on with glass pens. However if you want to that's fine. This will be a great opportunity for the students to focus on their sight words. Homework is due Thursday of next week!

Mrs Begley

### Rosellas.

This week students have been learning about preserving natural landmarks in Australia. We discussed the definition and looked at different ways we can help look after these areas. This was the first week we started doing Cosmic Yoga in the classroom for our brain breaks with the aim of keeping kids more focused throughout the day. Don't forget your Brazil projects are due this Friday! If you have any questions or need any assistance don't hesitate to ask.

Miss Reilly

### Hawks

In PDHPE we discussed social and online etiquette and outlined how these protocols and etiquettes can enhance our relationships with others and protect our wellbeing.

## 3/4 Tea Gardens Excursion Great Aussie Bush Camp

### Monday 5<sup>th</sup> September

Bright and early at 5.30am on Monday morning, we eagerly waited to board the bus to the Tea Gardens. After a four hour drive, we arrived at the Great Aussie Bush Camp and were ready to get started on all the fun activities. We settled into our tents before we headed to our first activity – Canoeing. Three people were in each canoe and had to work together to get from one place to another. After this activity we then had delicious snow cones before we went Indoor rock climbing. The rock climbing wall was very big, but I was very impressed to see all students have a go and majority ended up right at the top! After yummy burgers for dinner we then made our way to the County Fair. The students were each given pretend money to spend at different stalls that were run by the students. Some of the stalls included making milkshakes, selling cakes, the arcade, ball toss, jumping castle, sumo wrestling and many more. After a very busy day, it didn't take long for everyone to fall asleep after we had listened to a few stories around the campfire.

*The mud run and flying fox were very fun - Jayden*

*I liked making new friends on the excursion - Lauren*

*The mud course was very fun- Malcolm*

**Tuesday 6<sup>th</sup> September**

At 6.30am we were awoken by the instructors to get ready for another day. We had yummy pancakes for breakfast before we made our way to low ropes. We worked in small groups on the low ropes and had to work together to make sure the person on the rope was caught if they fell. Some of the rope obstacles were very tricky. After low ropes we went to the Lost Island. The lost Island was a very big mud obstacle course which was lots of fun! We had to run through the mud, jump over tyres and swim through tunnels to reach the end of the course. Everyone got very muddy! After showers and afternoon tea we then did Archery and some students were lucky enough to hit the target. After dinner we made our way into the bush for our night activity – Commando. Commando involved all students hiding in the bush and the teachers had to find them. After another big day, we all fell asleep as soon as our heads hit the pillow.

*The flying fox was the best! - Riley*

*My favourite part was the mud run. It was awesome! - Sean*

*The flying fox was fun because it went so fast! - Jacob*

**Wednesday 7<sup>th</sup> September**

After a good night's sleep in the tents, we all woke up at 6.15am to clean up, pack and get ready for the trip home. For the final time, we had a delicious breakfast and then made our way to the bushcraft activity. This activity involved helping make a shelter using materials from the bush and cooking an enjoyable damper. This was the first time many of the students had made and tasted damper. After this activity we had snow cones and went to our last activity – Orienteering. Students had to use a compass to navigate from different points in the bush. Students did a great job as nobody got lost! We then had lunch and said goodbye to the amazing instructors before we boarded the bus home. It was a fantastic trip and everyone had a great time!

**3/4 students & Miss Reilly**

*I loved everything at camp! It was so much fun - Taylor*

*The mud obstacle course was awesome because we got so dirty- Jack*

### TAMWORTH SPORTS DOME SCHOOL HOLIDAY PROGRAM

**26<sup>TH</sup> SEPTEMBER - 7<sup>TH</sup> OCTOBER 2016**

An important factor in a child's healthy growth and development is physical activity. Participating in sporting activities builds on this by providing children with valuable life lessons such as co-ordination, discipline and a sense of fair play. Research also shows that playing sport can assist children in the classroom with better learning through concentration and behaviour.

Tamworth Sports Dome provides children with a healthy and fun way to spend their school holidays offering great school holiday programs and activities!

Our exciting programs give children the opportunity to try a range of different sports, experience real team spirit and meet lots of new friends in a safe and supervised environment.

# THIS WEEK IN THE KITCHEN GARDEN

## What's Growing?

This week students were busy in the garden planting squash seeds. The students tested the PH level in the soil to make sure it was healthy before digging holes and planting the seeds in the garden beds.

Squash can be sown directly into the garden or started indoors. Summer and winter squash are commonly planted in hills about 1 inch deep. Sow seeds only after any danger of frost has ended and the soil has warmed. Usually, only 4 to 5 seeds per hill is plenty, thinning down to 2 or 3 plants per hill once the seedlings have developed their true leaves.

Check daily when harvesting squash plants, as these crops grow quickly, especially in hot weather. You should harvest squash frequently to encourage more production and pick the fruits while still small. Squash that is overly ripe becomes hard, seedy and loses its flavour. The summer varieties should be gathered before the seeds have fully ripened and while the rinds are still soft.

## Student Banking

by Lisa Madden

Hi bankers.

Wow, only two more weeks left of term  
3. Time definitely has flown by this year. I  
would just like to say how proud I am of  
all the Super Savers at the school.

Parents, if you would like to open a new  
account for your child, please don't  
hesitate to contact myself or Cheryl  
Johnson at the school Friday mornings. If  
they have an existing account with  
Commonwealth all I need is their account  
number and I can simply put them  
straight in the system.

This term we have an Backtrack Eraser  
Pen and a Jump and Skip rope as  
rewards.

This year we're giving students the  
chance to win a family trip for up to two  
adults and three children to explore  
Australia Zoo and meet Bindi and Robert  
Irwin.

Students who make 15 or more School  
Banking deposits by the end of Term 3,  
2016 will be automatically entered into  
the draw. This is another great way to  
motivate students to save regularly and  
reach their savings goals.

Find out more at  
[www.commbank.com.au/schoolbanking](http://www.commbank.com.au/schoolbanking)

If there are any parents still wishing to  
open an account, please do not hesitate  
in contacting me at the school office on  
Wednesdays or Friday Mornings.
