#### Wednesday

Eagles Library

#### Thursday

Sports day

Emus Library

#### Friday

Canteen

Magpies Library

### Student of the Week

Student of the week is awarded to a student who is always willing to help others in the playground and classroom.

Taylah is kind and always uses her manners.

This week's student of the week is Taylah!

Keep up the great work!

Congratulations Taylah!

### Principals Message

Welcome to week 8! It is hard to believe how quickly the term is going.

Today we welcome Miss Foley to Moonbi Public School. Miss Foley is a teaching student who will be working in the Emus classroom for the remainder of the term.

Today we heard leadership speeches from students standing for leadership in 2023. They all did a wonderful job- school leadership is looking very strong for next year!

Next week we have Merry Monday, which should be an amazing afternoon. All children will need adult supervision throughout the event.

Currently we are still without someone manning the pedestrian crossing on the Highway. Transport for NSW is in the process of rectifying the situation.

Have a wonderful week

Mel Wood  
Principal

### P&C News

Last weeks P&C meeting was postponed due to the water outage in Moonbi. This meeting has been rescheduled for Thursday, 8 December at 1:30. Everyone is welcome to come along.

# Moonbi Public School

Students in the Eagles class have been learning about money. Students had to create a pretend lunch order, calculating how much it was going to cost and how much change they would get. Students can't wait to use these skills when ordering their lunch from the canteen on Friday!

Year 5 and 6 students have been participating in a Resilience Program this term. Students created self esteem rainbows during one of the sessions identifying some of the many things they are good at. A big thankyou to Centacare for delivering this program to our students this term.

Students in the Magpies class have been continuing with their poetry unit. Students have been learning about figurative language features and how to use them in their writing.

Students were very busy at our working bee on Friday. Students helped complete many jobs around the school. A big thankyou to everyone for their hard work on Friday!

JOIN US FOR THE ANNUAL

# MERRY MONDAY

Bring your swimmers and a towel

## Busting lunchbox myths!

Marketing and health claims can make choosing everyday foods very confusing.

Did you know that whilst a muesli bar contains healthy ingredients, the added sugar and fat make it a sometimes food?

Swap from muesli bars to sunflower or pumpkin seeds, roasted fava beans, Weet-bix bites, yoghurt or fresh fruit.

For more lunchbox myth busters, visit:

[www.swapit.hnehealth.nsw.gov.au/resources/parent-resources/lunchbox-myths/](http://www.swapit.hnehealth.nsw.gov.au/resources/parent-resources/lunchbox-myths/)
